CHAPTER I

INTRODUCTION

1.1 Background Internship

Apprenticeship is an important part of the learning process for students, especially in vocational education. It gives students the opportunity to apply the knowledge and skills they have learned in the classroom to real work situation. Through apprenticeship, students can gain experience, improve their abilities, and understand how the working environment works.

The only state polytechnic in Riau is Politeknik Negeri Bengkalis. It is a vocational higher education institution located on Jalan Bathin Alam, Sungai Alam, Bengkalis, and was established in 2000. This institution has several departments such as Naval Architecture, Mechanical Engineering, Electrical Engineering, Civil Engineering, Language, Business Administration, Information Technology, and Maritime. Each department helps students develop their skills based on their field. Final report and apprenticeship are important requirements for graduation.

Apprenticeship are carried out after State Polytechnic of Bengkalis students have completed a minimum of 6 semesters of study. Internship activities can be carried out at any company, which can provide experience providing useful lessons for students, one of which is an internship at a hotel.

Based on the above, the author conveys, that the author, as a 6th semester language student at the state polytechnic of Bengkalis, did an Internship for around 4 months, the author chose the opportunity to do an internship at the Mersi Hotel Bukittinggi, the reason was because he wanted to gain experience working in a hotel.

In this case, learning during lectures is closely related to the field of hospitality. Based on this, the author hopes that the experience gained can be helpful and applied in the world of work later. On January 26-May 29 2026 the author did an internship. The author was placed in Front Office Department.

1.2 Purpose of Internship

The purpose of the implementation of practical work activities for students of the State Polytechnic of Bengkalis:

1. To apply the knowledge and skills gained during college into real work situations.
1. To gain work experience in the hospitality industry, especially in providing services to guests.
2. To improve communication skills and the ability to work effectively in a team.

1.3 Significance of Internship

This section explain 3 important aspects, namely Internship, State Polytechnic of Bengkalis and Company.

1.3.1 Significances for the Students Apprentices

This program provides students with valuable experience. Through this program, students have opportunities to apply the theoretical knowledge learned during lectures to the real world of work and gain new knowledge.

1.3.2 Significances for the State Polytechnic of Bengkalis

Apprenticeship helps the polytechnic in preparing qualified graduates who are ready to enter the workforce. It also supports the polytechnic in developing and improving its curriculum.

1.3.3 Significances for the Company

Internship programs are beneficial for both students and the company. They provide opportunities for students to develop their skills and gain experience. For the company, this program helps support operational activities, improve service quality, and prepare potential future employees.

CHAPTER II

GENERAL DESCRIPTION OF THE COMPANY

2.1 Company History

2.1.1 Mersi Hotel Bukittinggi

Mersi Hotel Bukittinggi is a 2-star hotel located in the city of Bukittinggi. The hotel is situated on Jl. Tuanku Nan Renceh No. 30, Bukittinggi, West Sumatra, and officially began its operations on June 25, 2016. It is an ideal choice for both domestic and international tourists who wish to experience the unique harmony of Minangkabau culture and the beauty of Bukittinggi as a popular tourist destination in West Sumatra, along with the local wisdom of its people.

The name “Mersi” is derived from the combination of two mountains surrounding Bukittinggi, namely Mount Merapi and Mount Singgalang. This name symbolizes strength, peace, and the wisdom of the local community.

Mersi Hotel Bukittinggi is designed with a minimalist concept that emphasizes safety, comfort, and affordability, combined with a friendly and dynamic touch of Minangkabau culture. Its strategic location makes it easy for guests to visit tourist attractions, historical sites, culinary centers, and local handicraft spots in Bukittinggi. Within approximately 15 minutes, guests can enjoy the beauty of Panorama Park and Sianok Canyon or explore historical landmarks such as Jam Gadang, Fort de Kock, the Japanese Tunnel, and the birthplace of Bung Hatta, the Proclamator and Vice President of the Republic of Indonesia.

Mersi Hotel Bukittinggi offers 46 rooms divided into several types or categories, including Superior Room, Deluxe Room, Grand Deluxe Room, and Suite Room. These room variations are designed to meet the diverse needs of guests, ranging from domestic tourists and business travelers to international visitors coming to Bukittinggi.

figure 2. 1 Mersi Hotel Bukittinggi

2.2 Vision and Mission

Mersi Hotel Bukittinggi has several vision and mission Statements.

2.1.1 Vision

To be the top choice hotel in Bukittinggi for domestic tourists and business travelers.

2.1.2 Mission

- a. To provide accommodation and meeting facilities for guests who wish to conduct business while enjoying leisure activities.
- b. To offer clean and comfortable rooms and meeting spaces at affordable prices.
- c. To deliver services wholeheartedly with sincerity.

- d. To actively participate in promoting various tourist attractions and the Minangkabau culture in Bukittinggi and its surrounding areas.

2.3 Kind of Business

Mersi Hotel Bukittinggi operates in the hospitality industry as a 2-star hotel, focusing on providing accommodation, meeting facilities, and services for both domestic and international guests.

2.3.1 Product and Service

The product and Services provided by Mersi Hotel Bukittinggi are as follows:

- a. Accommodation Service (Room)

The main service offered by the hotel is accommodation with various types of rooms that guests can choose based on their needs. Each room is equipped with facilities such as a comfortable bed, private bathroom, television, air conditioner (AC), Wi-Fi access, and regular housekeeping service to maintain guest comfort during their stay.

- b. Restaurant Service

Mersi Hotel also provides a restaurant that serves various kinds of food and beverages. This restaurant can be enjoyed by both in-house guests and outside visitors. The menu includes local and international dishes, and breakfast is usually included in the room package.

- c. Room Service

In addition to the restaurant, the hotel provides room service that allows guests to order food and drinks to be delivered directly to their rooms. This service provides convenience and comfort for guests.

- d. Meeting Room Facilities

Mersi Hotel provides meeting rooms that can be used for various activities such as meetings, seminars, workshops, and other company

events. These rooms are equipped with supporting facilities such as a projector, audio system, and other presentation equipment.

e. Front Office Service

Front office service is available 24 hours to assist guests with their needs. This department handles check-in and check-out processes, provides information about hotel facilities, and assists guests during their stay.

f. Other Supporting Services

In addition to the main services, Mersi Hotel Bukittinggi also provides supporting facilities such as a parking area for guests, Wi-Fi access in hotel areas, and other public facilities to increase guest comfort and satisfaction.

figure 2.2 Hotel mersi

2.4 Organizational Structure

An organizational structure is an arrangement used to define tasks, positions, and relationships within a company. The author completed a 4 months

internship at Mersi Hotel Bukittinggi, from January 26 to May 29,2026. The internship was carried out in the Front Office Department.

figure 2.3 Structure organizational Company

2.5 The Working Process

The working process at Mersi Hotel Bukittinggi follows standard hotel operational procedures to ensure good service and guest satisfaction. Daily operations involve coordination between several departments such as Front Office, Housekeeping, Food and Beverage, and Management.

1. The Front Office Department is responsible for handling guest services such as reservations, check-in, in-house guest services, and check-out processes. This department also provides information and

assistance to guests during their stay. All activities require good communication and teamwork with other departments.

2. The Housekeeping Department is responsible for maintaining cleanliness and comfort in guest rooms and hotel areas. This includes room preparation, cleaning services, and ensuring that rooms are ready before guest arrival.
3. The Food and Beverage Department handles food preparation and service, including breakfast, restaurant service, and catering for meetings or events held at the hotel.

Overall, all departments at Mersi Hotel Bukittinggi work together as a team to ensure smooth operations and to provide the best service for guests.

2.6 Document Used for activity

During the internship at Mersi Hotel Bukittinggi in the Front Office Department, various documents and records were used to support daily operational activities. These documents play an important role in ensuring smooth service and accurate guest data management.

The main documents used in the Front Office Department are as follows:

1. Reservations

Reservation records contain guest booking information such as arrival and departure dates, room type, number of guests, and special requests. All reservation data must be recorded accurately to ensure smooth guest preparation and service.

2. Check-In

Check-in documents are used when guests arrive at the hotel. This process includes recording guest identity, confirming reservation details, assigning room numbers, and providing room keys or access cards. It is usually handled at the Front Office desk.

3. In-House

In-house records refer to guests who are currently staying at the hotel. This document helps Front Office staff monitor guest status, length of stay, and any additional requests during their stay.

4. Check-Out

Check-out documents are used when guests complete their stay. This includes final billing, payment processing, and returning room keys. It ensures all guest transactions are properly recorded before departure.

CHAPTER III

SCOPE OF THE INTERNSHIP

3.1 Job Description

This chapter explains the activities carried out during the internship. The internship was conducted for four months, starting from January 26 to May 29, 2026, at Mersi Hotel Bukittinggi. During the internship, the author was placed in the Front Office Department.

During the internship period, the author gained new knowledge and practical experience in the hospitality industry, especially in front office operations such as reservations, check-in, in-house guest handling, and check-out processes. The author also learned how to work in a team and communicate effectively with other hotel departments.

To make the activities clearer and easier to report, the following section describes the weekly activities carried out during the internship.

3.2 System and Procedure

At Mersi Hotel Bukittinggi, the operational system is design to support activities, improve work efficiency, and enhance guet satisfaction. This system covers various aspects such as guest services, housekeeping, food and beverage, and coordination among staff.

In the Front Office Department, the procedures are implemented to ensure that the check-in and check-out processes run smoothly and efficiently, as well as to improve service quality for guests.

The following are the main systems and procedures implemented:

3.2.1 Check-In, Guest Arrival

Greet guests warmly at the entrance or lobby, confirm reservation via the guests booking reference or identification.

Figure 13. Guest Room

3.2.2 Verify Identification

Ask for Guest ID cards, for verification and pre-authorization of payment.

Figure 12 Id card

3.2.3 Room Assignment

Check room availability and assign a room according to guest preferences and also provide room key and inform guests for hotel amenities (breakfast time, in-room communication tools and check-out time).

Figure 13. Guest Room

3.2.4 Guest Information Recording

Record guest details in the Property System Management (PMS Sentec) and ask for any special requests (extra-bed, wake-up call, late check-out request and take away breakfast).

Figure 14. Guest Detail

3.2.5 Check-In Confirmation

Hand over a copy of the guest registration and provide any necessary directions (elevator, restaurant location).

Figure 15. Check-In Confirmation

3.2.6 Check-Out Notification

Send reminder of the check-out time a day before departure.

Figure 16. Reminding Guest

3.2.7 Review Bill

Confirm any charges, including room rate, additional services (mini-bar, laundry, late check-out, in-room spots).

Figure 17. Guest Charge

3.2.8 Payment Process

Process the final payment, either via credit card or cash and issue receipt and thanks the guest for their stay.

Figure 18. Guest Payment

3.2.9 Room Inspection

Inspect the room after the guest departs for any damages or lost items.

Figure 19. Room Inspection

3.3 Place of Apprenticeship

The internship started on January 26, 2026 and ended on May 29, 2026 at Mersi Hotel Bukittinggi, located JL. Tuanku Nan Renceh No. 30, Bukittinggi, West Sumatra. The internship was carried out in the Front Office Department.
